

KNOW WHAT TO DO

IF YOU ARE SEXUALLY HARASSED OR ASSAULTED BY A STUDENT, TEACHER, OR SCHOOL EMPLOYEE

You have a right to attend school in an environment free from sexual harassment or assault. The school must protect you from a hostile environment, whether the harassment occurred on or off campus, or online. Learn about your rights under Title IX, how to protect your privacy, the school's responsibilities, how to get emotional support, and more on the Victims Rights Law Center [K-12 Resources](#) page. Read their essential guide *How Do I Talk About the Violence I Experienced*. Also check out Equal Rights Advocates guide [Sexual Assault and Sexual Harassment](#).

Preserve Evidence

If assaulted, you may want to collect evidence before bathing or discarding clothing. Only you will decide if you want to use this information or not. Learn how to collect evidence at RAINN's website page [What is A Sexual Assault Forensic exam?](#) Preserve electronic evidence too.

Contact RAINN 24/7 for a confidential referral to a local sexual assault service provider or victims advocate
