The IX protects students

The IX Basics

- get to a safe place
- reach out to someone you trust
- seek medical care if needed
- preserve evidence (if possible)
- report it/when you're ready

What To Do If Assault Happens

Reminder:
silence ≠ consent
pressure ≠ consent
drunk/high ≠ consent

- clear
- enthusiastic
- ongoing
- reversible

Consent is:

Consent & Boundaries

- ✗ "they didn't say no" consent must be clear + enthusiastic
- ✗ "they were asking for it" no one ever asks for assault
- ✗ "it only happens with strangers" most survivors know the person

Rape Myths

How to Be an Activist

- speak up when something feels wrong
- believe survivors
- challenge harmful jokes + comments
- share resources + information
- support your friends
- organize, don't just observe

Sexual Harassment Defined

Sexual harassment is unwanted behavior of a sexual nature that makes someone feel uncomfortable, unsafe, or disrespected.

It can look like:

- comments about someone's body
- unwanted touching
- sexual jokes or messages
- pressure for sexual attention
